

Novato's **Chamber of Excellence** program is an exclusive opportunity for those members who have been instrumental in making a difference in the community and in the growth of the Novato Chamber of Commerce. Members of the **Chamber of Excellence** enjoy a number of unique ways to enhance, market, advertise and promote their businesses. Expanded visibility in the Chamber's web site, monthly edition of "Novato Business News," Annual Directory and regular event displays are just some of these benefits.

The **Chamber of Excellence** helps you plan sponsorships of annual events, while reducing the number of calls you receive to gather support and logos for our many fabulous events. The program's multi-tiered program allows you to boost your business and marketing plan by tailoring benefits to meet your needs and budget effectively.

For more information or to set up an appointment to discuss the many privileges and benefits of this exclusive program, **please contact the Novato Chamber's CEO, Coy Smith, at 415-897-1164.**
